

CHAMBER BUCKS GIFT CERTIFICATE PROGRAM FACT SHEET & PARTICIPATION AGREEMENT

GOAL OF THE PROGRAM:

To encourage shopping with our local merchants, support our community and keep shopping dollars in Yancey County, the Chamber of Commerce instituted the Chamber Buck program. The use of Chamber Bucks drives business to our establishments and promotes the value of shopping locally. *Statistics show that each dollar spent locally turns over in the community an average of 7times.*

HOW IT WORKS:

- Chamber Bucks are purchased, in any denomination, from the Chamber Office. Chamber Bucks make ideal gifts for weddings, retirements, graduations, birthdays, holidays, employee bonuses/incentives, volunteer appreciations, etc.
- Payment is received at the time of purchase.
- There is a .50 fee per Chamber Buck to cover the cost of the program.
- Chamber Bucks are then redeemed at participating businesses. A list of participating businesses will be available in print and online. In addition, participating businesses will be provided with a window cling decal to display.

PROTECTION FEATURES:

- Chamber Bucks shall be used for merchandise or services at participating businesses. No cash or refunds on any purchases.
- The Chamber assumes no responsibility for lost or stolen certificates and issues no duplicates.
- Each Chamber Buck is a numbered duplicate and should not be accepted without the Chamber of Commerce seal for additional security.

REDEMPTION AND CASHING PROCEDURES:

- Participating businesses must agree to honor all valid Chamber Bucks presented for redemption at their business and educate all employees about Chamber Bucks.
- Participating businesses return the Chamber Buck(s) for reimbursement to the Chamber of Commerce.
- Chamber Bucks expire within one year of purchase.
- There is NO fee for your business to participate. The Chamber administers the program as a valuable service to the business community.

YES! My business agrees to participate in the Burnsville-Yancey Chamber of Commerce "Chamber Bucks" Gift Certificate Program.
